

Notice to Ulkatcho First Nation Members Living Off Reserve

RE: Off Reserve Funding

Off reserve members are encouraged to be in contact with Friendship Centers and Local Aboriginal Organizations within the community where they are currently living.

Off reserve funding will flow through their local community organizations. The details of the funding process have not been posted on-line at this time.

The local organizations should be able to provide details on funding and support when they are informed of the details.

If you know of a member living off reserve that does not have internet access, please pass this information along to them.

Off reserve funding is not processed or provided by Ulkatcho First Nation.
