

Ulkatcho Guardian Job Posting

WCFP/Ulkatcho First Nations is rolling out their very own Guardian Program. We are now accepting applications for Guardian Positions. This will start as a six-month program and subject to funding will develop into a full year around position. If you would like to work out in the field and experience the beauty of our Traditional Territory and have an interest in protecting our important culture values this would be a great job for you. Looking for people with a great attitude that have a genuine interest in bettering our community.

Responsibilities and Duties

- Build relationships and positively represent the interests of Ulkatcho First Nations.
- Navigate service roads to monitor and report on designated regions of the Ulkatcho Traditional Territory.
- Establish and monitor designated/approved campsites & trails and provide a inspection report.
- Monitor for wildfires
- Document and follow all Occupational Health and Safety protocols required for daily operations
- Issue land use permits to mushroom harvesters, buyers and driers operating in the territory
- Provide information packages and on-site training for Emergency Response Protocols to harvesters, buyers and the general public
- Execute the Emergency Response Plan and Communication protocols in the event of an emergency
- Monitor for and report all environmental and/or permit infractions
- Monitor all road access control points
- Collect and dispose of waste found on the land, as needed
- Must be able to work flexible hours when required.
- Note this is a new position so job duties and responsibilities will change as the program grows.

Required Skills

- Class 5 Driving License and Safe Resource Road driving skills
- Must be proficient to operate a quad and snowmobile.
- Knowledge of territory and ability to navigate with maps (digital and paper)
- Ability to take detailed and organized notes
- You must feel comfortable working on your own
- Assess risks and experience operating field equipment safely
- Competent or willing to learn operation of two-way radios, satellite phones, tablets, GPS units and In reach Devices
- Strong Interpersonal Skills: relates to people in an open, friendly, and professional manner. Demonstrates diplomacy by approaching others about sensitive issues in non-threatening ways. Comfortable initiating dialogue with land-users, public etc.
- Ability to respond to emergency situations in a calm and measured manner, implement Emergency Response Communications and Protocols.
- Ability to document and report on all activities monitored
- Working with a team.
- Responsible and accountable
- Follows Strong Safe Work practices, follow pre-determined monitoring routes and meet check-in requirements.
- Must be proficient in Microsoft outlook, excel and word or have the willingness to learn.
